

Biographical Information

Audrey E. Oliver, Esq.

PROFILE

Family law practitioner with more than 20 years' experience in handling both litigation and private mediation. Well versed in Family Law matter and in dealing with complex issues involving financial matters, Paternity, Custody and Visitation, Move-away, Termination of Parental Rights, Adoption, Grandparent Visitation, Child and Spousal/Domestic Partner Support. Examples of successful litigation on the following issues: separate interest in refund from a joint tax return, alternate valuation date of animal hospital, Jackson Credits on child support arrears, joining a corporation into a divorce action, imputation of income to a sole shareholder of a corporation, obtained court finding that provisions of a judgment were forged, barred an attorney's presence in a F.C. §4331 exam, obtained protective orders against disclosure of trust terms and assets, joined a civil palimony action into a divorce action, confirmed sole custody to a step-father, obtained Grandparent visitation despite case law restrictions, obtained \$15,000 in damages against opposing counsel for misuse of proceeds held in her Attorney Trust account. Extensive experience in family law has equipped this mediator with the ability to understand the dispute between the parties, to assist them in the resolution of their issues and guide them toward a successful and fair settlement.
